RIWWA Meeting

Coast Guard House
40 Ocean Road
Narragansett, RI

December 13, 2007

9:00 – 9:30 AM Registration and Coffee

9:30 – 10:15 AM “Rehabilitation and Remediation of the Tower Street Tank, Westerly RI”

Robert P. Sims, P.E. Managing Engineer, Pare Corporation

The Town of Westerly undertook the first step of recommendations for rehabilitation of the water storage facilities. The tank did have a coating that contained lead that required special contract provisions. The soil on the property was also contaminated and RI DEM was involved.

10:15-11:00 AM “Glass Fused Steel Storage Tank Systems”

Bruce P. Stevens, Regional Mgr – Sales & Marketing, New England Tank

This presentation will discuss the manufacturing and construction of glass fused steel storage tank systems. Two to three case histories of recent projects will show the composite elevated tanks, standpipes and large reservoirs that have been built.

11:00 AM Business Meeting

Introduction of new members
