Past President

RIWWA Meeting - December 14, 2006
Coast Guard House, 40 Ocean Road, Narragansett, RI

9:00 – 9:30 AM Registration and Coffee

9:30 – 10:15 AM “Water Storage Upgrades and Additions; Four RI Water Utilities add 15.6 Million Gallons of Storage”

Christopher C. Hodgson, New England Regional Manager, Natgun Corporation

This program will highlight details of the new tank construction accomplished recently by Natgun for four major RI utilities. For Kent County Water, Natgun built a new 3.0 MG tank in West Greenwich in 2001. For Woonsocket, Natgun built a 3.0 MG tank in 2002, a 1.5 MG tank in 2004, and a 1.0 MG tank in 2005. For North Tiverton Fire District, Natgun built a 2.1 MG tank in 2005, to supplement an existing cast in place concrete tank. For Pawtucket, Natgun built a 5.0 MG tank as part of their treatment plant project. Despite the common denominator of Natgun tank construction, there were many contrasts in these projects.

10:15-11:00 AM “OSHA Excavation Standards”

Robert Sestito, Assistant Area Director, US Dept. of Labor-OSHA

This presentation will include a discussion of OSHA's excavation standards, 1926.650 - 1926.652. It will cover topics including soil analysis and protective systems, such as sloping and shoring. I will also discuss most frequent violations that we see at excavation sites.

11:00 AM Business Meeting

- Introduction of new members
- RIDOH report
- Committee reports

11:30 – 12:00 Attitude Adjustment

12:00 PM Lunch
